### 2005 SBC CHICAGO Telephone Directory: Government Listings

The government pages in the SBC **Chicago** Telephone Directory are being revised and compiled for the new 2005 book. Attached are copies of the state agency listings appearing in the current SBC Chicago "Government Pages" and a listing of those agencies included in the "Business Pages." If your agency, divisional, departmental, and individual names, addresses, and telephone numbers are correct, no response to this bulletin is needed. Agencies that have undergone consolidations or name changes should review listings carefully so that former, individual agency names can be removed and current name changes can be added/corrected.

If your agency needs to make any changes, additions, or deletions to the SBC Chicago directory, please use a Telecommunications Service Request (TSR) to correct your listing. The TSR form is available on our website ([www.state.il.us/cms/telecom](http://www.state.il.us/cms/telecom)) under the "Forms" heading. For changes to be included in the 2005 SBC Chicago directory, your completed TSR must be returned by September 9, 2005 to:

Central Management Services  
Communications Solution Center  
Attn: Provisioning  
120 West Jefferson, 2nd Floor
